

WHAT TO BRING

Soccer Kids:

- Athletic shorts & shirt (after the first day, kids can wear the camp shirt)
- Shin guards (optional)
- Sunscreen
- Water bottle
- Soccer shoes (or athletic shoes)
- A smile & a fun-loving attitude!

Disc Golf Kids:

- Athletic shorts & shirt (after the first day, kids can wear the camp shirt)
- Sunscreen
- Water bottle
- Athletic shoes (no sandals, please!)
- A smile & a fun-loving attitude!

** Size 4 soccer balls are good for anyone below fifth grade, so we will provide those and have the kids put their names on them. For disc golfers, a 3-disc starter pack is provided. We'll keep these items on site until the last day, when the kids will bring them home in their tote bag.*

***There's no need to bring snacks, unless you want to accommodate a specific allergy yourself with a name-labeled bag. Also, we have air-conditioned facilities and will make sure to keep the kids safe, cool and comfortable!*

If you have any questions or concerns, just email us at livingsaviorco@gmail.com!
